
PRESS RELEASE

FOR IMMEDIATE RELEASE:

NJ – Central Jersey Urgent Care and My InstaDoc Earns Accreditation from the Urgent Care Association

Central Jersey Urgent Care and My InstaDoc located in Ocean, Eatontown, Somerset, Browns Mills, Marlboro, Monroe, Howell, and their newest center in Green Brook, has achieved Accreditation through the Urgent Care Association (UCA), which is the highest level of distinction for urgent care centers. Central Jersey Urgent Care and My InstaDoc's centers provide patients with walk-in, extended-hour medical attention with licensed providers for a large scope of medical conditions and have met all of the Urgent Care Association's established standards and criteria for quality of patient care, safety, and scope of services.

The health care environment is changing and it is becoming more and more important for patients to understand their treatment options. Urgent care is a convenient and viable option for medical conditions that cannot wait for a scheduled appointment with a primary care physician. Central Jersey Urgent Care accepts unscheduled, walk-in patients during all hours of operation.

When a medical condition cannot be handled by a patient's regular doctor – such as unexpected cuts, burns, sprains or fractures that do not require a visit to the emergency department, Central Jersey Urgent Care and My InstaDoc's urgent care centers are equipped with x-ray, laboratory services and licensed providers are always available to perform minor procedures like casting and suturing.

Urgent care fills the gap between primary care and hospital emergency rooms, offering increased convenience and cost savings. With its accreditation, Central Jersey Urgent Care and My InstaDoc and the Urgent Care Association demonstrate their commitment toward providing patients with access to quality care of the highest level.

About Central Jersey Urgent Care:

Serving both adult and pediatric patients in the Central Jersey area, Central Jersey Urgent Care and My InstaDoc sees walk-in patients 7 days a week, treating non-life threatening injuries and illnesses, routine immunizations and well visits. The centers are up-to-date on federal and state regulations in occupational medicine for workforce health and safety, including OSHA, and DOT and work directly with employers to ensure all businesses stay running and their employees are safe and healthy. Central Jersey Urgent Care and My Instadoc provides coronavirus testing including RAPID COVID tests and PCR tests by appointment.

As part of the larger Central Jersey Urgent Care and My InstaDoc group, there are centers all throughout the central jersey area including Ocean, Eatontown, Somerset, Browns Mills, Marlboro, Monroe, Howell, and Green Brook.
